

158 KLAUE (CONTD) Or. 10.

160 KLAUE
Ja, ja. We do.

160 KLAUE
But I've got my arm, eh?

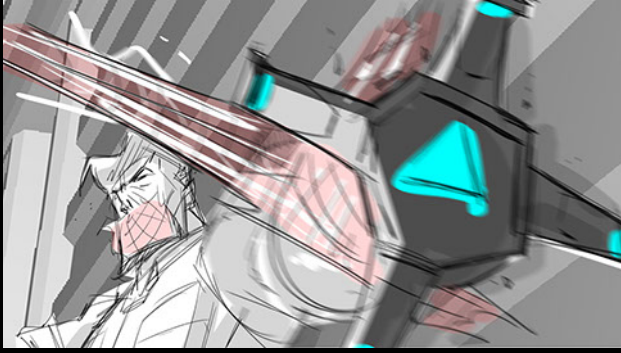

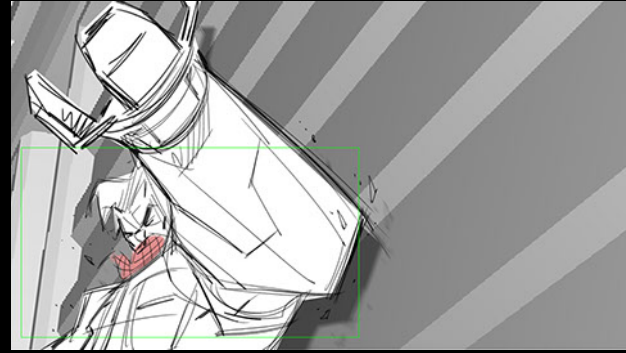

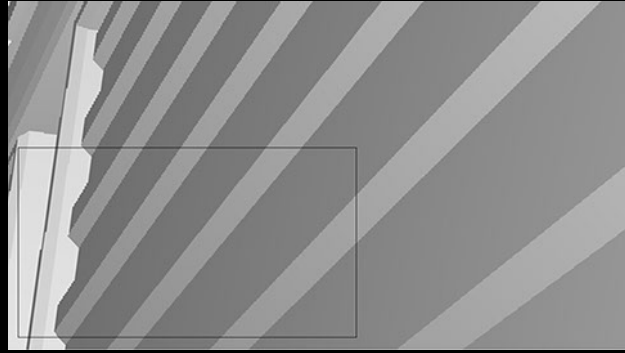

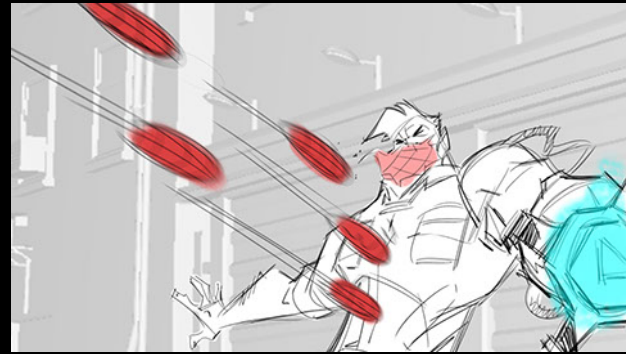

160 KLAUE
But I've got my arm, eh?

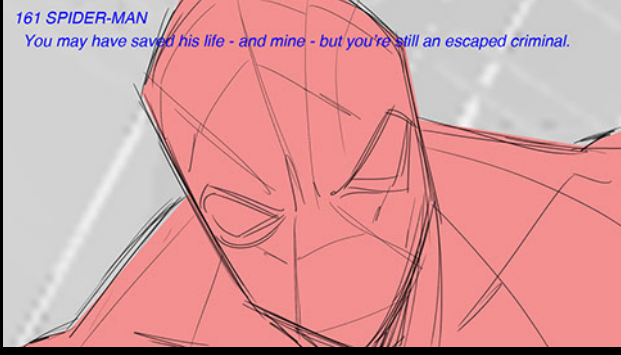

160 KLAUE
This time I'm Fully charged.

160 KLAUE
This time I'm Fully charged.

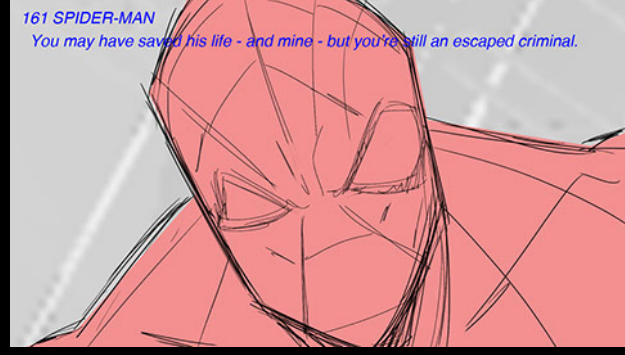

161 SPIDER-MAN
AFRAID I CAN'T LET YOU DO THAT, BLACK PANTHER.

161 SPIDER-MAN
You may have saved his life - and mine - but you're still an escaped criminal.

161 SPIDER-MAN
You may have saved his life - and mine - but you're still an escaped criminal.

161 SPIDER-MAN
You may have saved his life - and mine - but you're still an escaped criminal.

162 BLACK PANTHER
Spider-Man, assure you, I am no criminal.

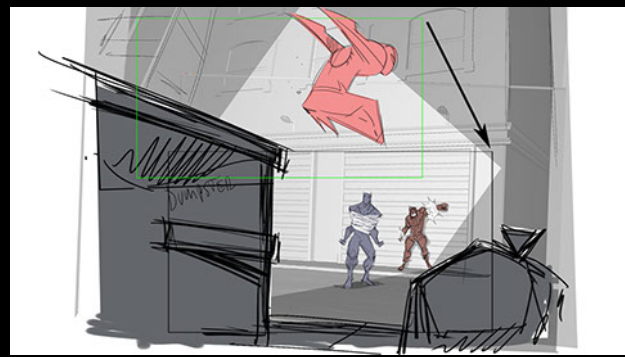

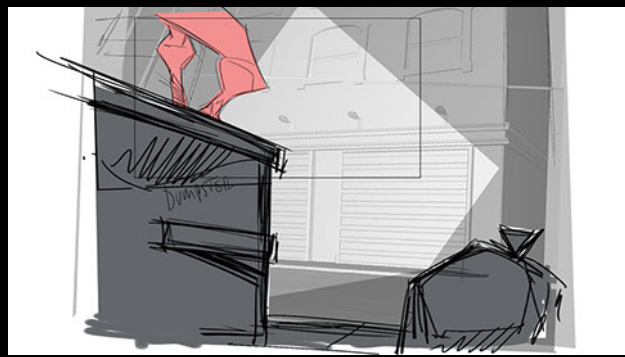

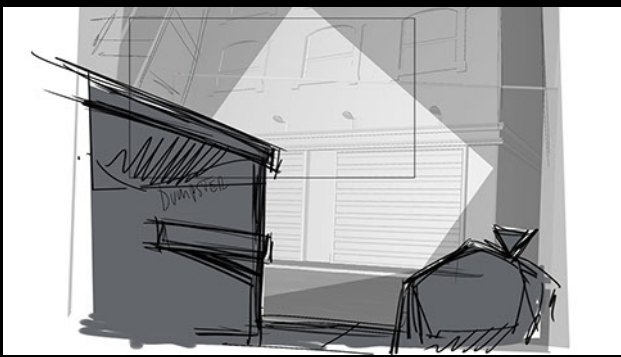

162 BLACK PANTHER
(re: Klaue) This man has knowledge that will save many lives.

162 BLACK PANTHER
(re: Klaue) This man has knowledge that will save many lives. I must be allowed to see him.

163 SPIDER-MAN

Maybe.

163 SPIDER-MAN

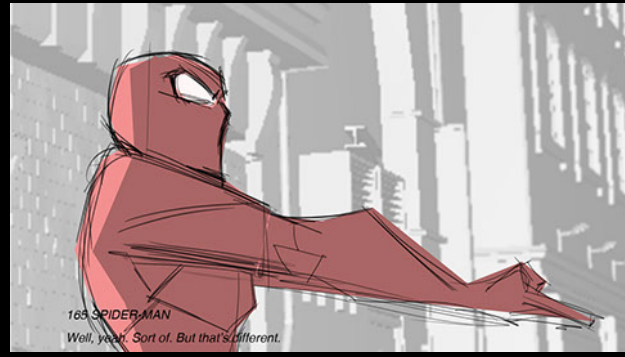

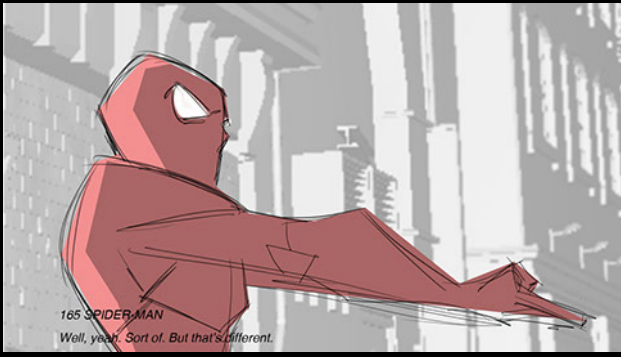

But what would Iron Man ...

163 SPIDER-MAN

...about me letting Public Enemy #1 just walk out of here?

164 BLACK PANTHER

That is an ironic question, considering your own history. Have you not been called a "public enemy" yourself?

165 SPIDER-MAN

Well, yeah. Sort of. But that's different.

165 SPIDER-MAN

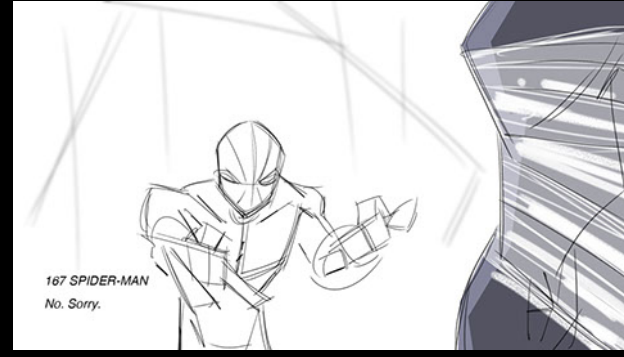

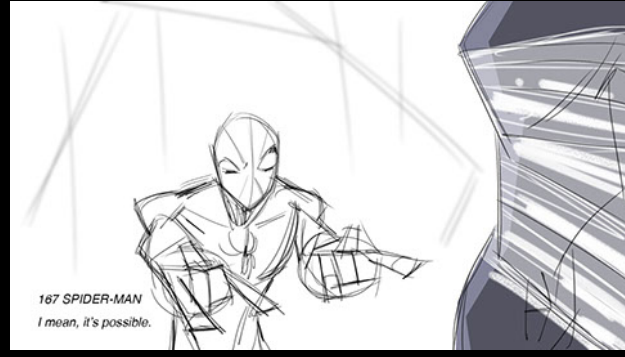

Well, yeah. Sort of. But that's different.

165 SPIDER-MAN

Well, yeah. Sort of. But that's different.

166 BLACK PANTHER

In what way? Is it not possible that I have been misjudged by the public, just as you were?

166 BLACK PANTHER

In what way? Is it not possible that I have been misjudged by the public, just as you were?

166 BLACK PANTHER

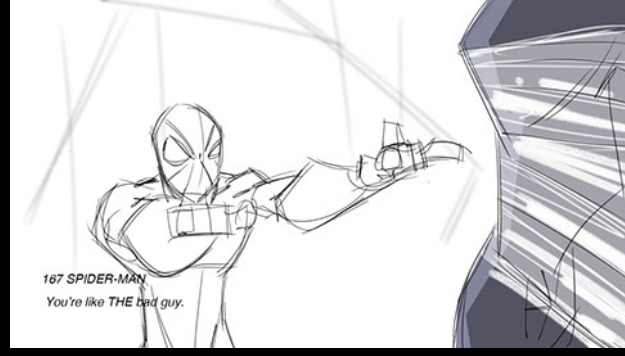

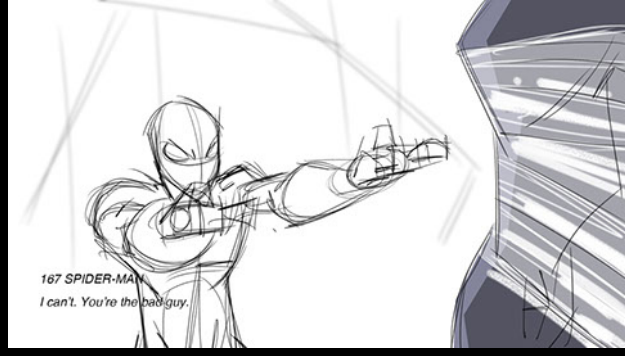

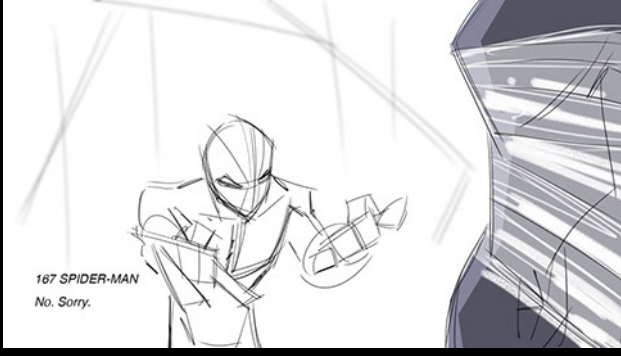

In what way? Is it not possible that I have been misjudged by the public, just as you were?

167 SPIDER-MAN

I mean, it's possible.

167 SPIDER-MAN

No. Sorry.

167 SPIDER-MAN

No. Sorry.

167 SPIDER-MAN

I can't. You're the bad guy.

167 SPIDER-MAN

You're like THE bad guy.

168 BLACK PANTHER

I have made mistakes recently. That is true.

168 BLACK PANTHER

I have made mistakes recently. That is true.

168 BLACK PANTHER

I have made mistakes recently. That is true.

168 BLACK PANTHER

Have you ever made a mistake so bad that it brought great harm to someone other than you?

168 BLACK PANTHER

Would you consider getting into a "public enemy"?

169 BLACK PANTHER

Would you not do anything, risk anything, to correct that error?

170 SPIDER-MAN (CONT'D)

Don't make me regret this, okay? *

171 BLACK PANTHER

You will not. You have my word. And my thanks.
